Supervisor Breton wanted to pass along the compliments on how the roads were taken care of the past few snow falls and that he heard nothing but job well done.

Cemetery Sexton

The cemetery sexton was not present however the Town Clerk asked if we were planning on keeping the Cemetery the same with closed to vehicles but open to foot traffic. The board agreed that when the time comes and there is too much snow on the cemetery roads, the gates will be closed to vehicles, but all are welcome to walk in.

Dog Control Officer

Kay Farrington reported that there are multiple problems that are going on with our shared towns and she has gone as far as she can to where she is asking for help in how to handle situations where she receives the complaints, tickets, and must complete this process all over again with no justice and nowhere to place the dogs. The SPCA will not take in dogs when they are contracted with us to do so, they say they are full.

Ginger Schroder listened and will get on top of this problem to see if it will be resolved. The Board agreed that the intermunicipal contracts need to be reviewed.

Town Clerk

Mrs. Stanbro reported that she may have found a new cleaner and we will need to prepare an employment packet for her.

Mrs. Stanbro also wanted to thank OKC for donating the trees to go out front and that Loretta Close did a great job on the Gingerbread decorations.
